fish! You can cover up any picture of
Nixon you happen to have hanging around!

MY FAIR LADDIE

Regarding "My Fair Laddie", when
you do articles on the Women's Libera-
tion Movement, you lose your perspective.
As far as I can tell, your publication hasn't
presented any valid side of the Women's
Movement. There is no mention that a
woman is denied credit, underpaid,
denied loans, and does not have income
considered when a couple applies for a
mortgage. How can you deny women are
discriminated against? I am a male and
my spouse is a feminist. She has retained
her maiden name, at my suggestion. We
share the housework and are both em-
ployed. This hasn't made me feel any less
of a man or made me think of her as less
of a woman. I sincerely hope you will
reexamine the Women's Movement and
begin presenting their side of the argu-
ment.

John J. Murray, Jr.
Dayton, Ohio

Your trite, hackneyed, stereotyped
views of the women's movement are bad
enough, but do you have to keep repeat-
ing them issue after issue?

Antonia Puzerski
Detroit, Mich.

I thought "My Fair Laddie" was really
great!!! And to all you male chauvinist
pigs... POW!

Cheryl Gilbert
New Rochelle, N.Y.

WHAT IS AN INTROVERT?

Thank you, Mr. Koch. It cost me just
forty cents to learn what a psychiatrist
would have charged a fortune to disclose,
mainly, that I am a full-fledged introvert.
Unfortunately, I can't buy your magazine
any more. Last time I was at a newsstand,
I spent three hours letting people get
ahead of me in line, and then was arrested
for loitering!

Kathy Harms
Riverside, Calif.

Tom Koch's "Introvert" displayed
magnificent insight into a character who
confronts us all at one time or other.
Please don't print this letter. Oh, what the
heck! I might as well start being an ex-
trovert.

Kevin Perry
Collinsville, Ill.

LIGHTER SIDE OF MINOR AILMENTS

Congratulations to Dave Berg for his
sickly but great "Lighter Side Of Minor
Ailments". I'd praise him more but I have
to get some aspirin now to ease my
writer's cramp.

Robert Orlowski
Queens, N.Y.

I laughed and laughed and laughed at
Dave Berg's "The Lighter Side Of Minor
Ailments", until I got a paper cut while
turning the page.

Dave Berg's "Minor Ailments" gave

MAD GAME OF BASEBRAWL

I thought Al Jaffee's "The MAD Game
Of Basebrawl" was far-fetched until I
turned on my TV, and Cincinnati and
Pittsburgh were playing basebrawl.

Mark Weber
Lebanon, Ohio

Your explanation of the zappings in
"Basebrawl" was about as clear as an
explanation of the blue lines in hockey!

Robert May
Louisburg, N.C.

As a tribute to Al Jaffee's revolutionary
innovations in the game, he should be
feted at home plate. Better still, he should
be fettered to home plate when bases are
loaded and the last man to bat is running
out an inside-the-park home run.

Frank Judge

Michigan

Jaffee... ouch at home plate!

NIXON SLIPPED HERE

I thought the "Mini-Poster" on the back of your June issue was mean, cruel, downright dirty, and thoughtless. The reason I think that is because I am one of Nixon's fans. Or should I say his *only* fan?

Mike Moorman
Muncie, Ind.

Yep, "Nixon Slipped Here" . . . and it wasn't on Johnson's Wax!

GRAFT DODGER DEPT.

Tired of all those movies that show the Cops heroically struggling against the forces of Crime and Corruption? Well, there's a movie out now that tells it like it really is . . . mainly by showing how the Cops have stopped struggling! All except ONE Cop, that is! Here is MAD's version of one man's battle to bring decency to Police work, while the audience battles to stay awake while he does it! Meet an honest, Hippie-type Cop called:

SER

Somebody just shot Serpicool, the honest Cop!

That's terrible!

It could have been worse . . . they could have missed!

He's in bad shape, Doc! We'll have to act quickly!

Right! Hurry up and give him two aspirin . . . and call me at ten in the morning!

But it's a matter of life and death!

Oh! In that case, make it FOUR aspirin . . . and call me at NINE in the morning!

Doc . . . how bad is it? We can't tell yet!

When—when will you know . . . ? After a few flashbacks!

Mom ...
Pop ...
I'm
gonna
be an
honest,
dedicated
Cop ...

That's-a nice!

... and I'm
gonna live
up to the
traditions of
the Police
Department!

Hey, make up your mind!!
Which, one's it gonna be??

And for my first official
act as an honest Cop, I'm
now gonna give the Chief
of Police a summons for
walking on the grass!

You're
honest ...
but you're
not bright!

I'd rather
be honest
than bright!

Hah!
You
talk
like
you
got
a
choice!

Okay, everybody move in close for a family
picture! Make room for our Man in Uniform!

Hey; I didn't mean THIS kind of "Family" picture!

Yecch! This
food is awful!

How come ... ?

But—but you can get
ptomaine poisoning
from food like this!

Shhhh! Just
eat it! It
ain't costing
you anything!

We overlook
a few minor
violations,
and he gives
us free food!

That's one of the
minor violations
we overlook!

I'm shocked that you accept free food ... especially with all those DECORATIONS!

That's how I GOT 'em! This one's for eating Christmas Dinner here in '71! This one's for Thanksgiving Dinner in '72! And this one's for—

Calling all cars!
Rape in progress
at 4th and Grand!

Naw!
It's
not
our
beat!

How can you
say that?!?
What kind
of a Cop
ARE you?!?

The best in the
Department! In
20 years of
service, I have
a perfect record!
NO ARRESTS!!

Hey, let's
investigate!

There
they
are!
Let's
get 'em!

Aw, forget it!
They're just a
couple of high-
spirited kids!

But don't you
see what they're
doing to her
in that alley?!?

So what?!?
At least
it keeps
'em off
the streets!

I really
can't
believe
this !!

Why? Because I'm
such a dedicated,
honest Cop??

No, because you're such a
lard-tailed, bandy-legged
shrimp ... and you outran a
kid built like O. J. Simpson!

Take that,
you bum
... and
that ...
and that!

Stop it! This is
Police Brutality!
That's no way to
treat a suspect!

What
suspect?!
This crumb
is a
WITNESS!!

I see the
two kids
who were
involved in
that rape!
I'm gonna
make the
arrest!

What are
you? Some
kind of
NUT?

I don't
under-
stand!

Once you start
arresting rapists,
the next thing you
know you'll be
arresting murderers
and dopepushers!

Yeah ... ? So ... ?

So crime statistics will
go up, and you'll fall
behind on your important
work ... like giving out
tickets for littering
and double-parking!

I'm arresting 'em anyway!

Go
ahead!
See
if I
care!
I'm
just
a
recording!

TELEPHONE

Don't move! Reach for the sky! I'm arresting you two!

Okay! Okay! I'll confess! I did it! I double-dribbled!

Don't shoot! Don't shoot! I swear it! I'll never violate the three-second rule again!

That's the toughest Referee we EVER had!

This is serious! You left your post, you were out of uniform, and you broke up a TIE GAME!

But, Chief! I have a job to do! I want to clean up New York City!!

Then transfer to the Sanitation Department!

But these kids broke the Law! They should be punished!!

They ARE being punished! They asked for Butter Pecan Swirl ... and we gave 'em Vanilla instead!

Mama, it's tough being an honest Cop, but nothing is gonna stop me from doing my duty!

I'm-a so proud of you, Sonny! I want you to have this money!

Gosh, Mom! Where did you get it?

I saved it since you were a baby!

Gee, Mama, I hate to do this ...

You mean, take-a the money ... ?

No, I mean ARREST you for not reporting the Interest Income all these years!

You're an honest Cop, but you're a LOUSY SON!

You're kidding me, huh? I mean—are you really a Cop?

Yep! I'm the most HONEST Cop on the Force! I do everything by the book!

Aw, c'mon! I don't believe you ... !

Well, I'll prove it! I'm arresting you for violation of Section 43B, Rule 22, Part 6!

What's that?

Resisting an Officer!

Y'know, Serpicoool, you may have an idea, dressing like that! Let's try you as an Undercover Cop so you can mingle with street people and pick up information! Just one small suggestion! I think you should try another medallion! It's not quite right for an Undercover Man!

But it sets off my earring so WELL!

Serpicoool, I've got something to tell you! I'm gonna get married!

Gee, I don't like that!

Yeah, I don't see how we can fit another guy into this tub!

I can't! I'm married to the Police Force!

Oh ... Really?

I wish YOU'D marry me!

Talk about a crowded tub!

C'mon, let's get him!

Worse!

Worse than that, even! He fell behind in his Life Insurance Payments!

Plenty! I'M his Life Insurance Company!

Did he ROB somebody?

Did he MURDER somebody?

What's so bad about that?

Okay, wise guy! What do you say now?!

I say ... when you listen closely, you can hear the roar of the ocean!

I've heard of employees having to wash their hands before leaving, but this is ridiculous!

I—I want to be transferred, Inspector!

Well, believe it or not, there's a lot of corruption in this Precinct!

I know that an honest man like you finds it hard to believe, but it's true!

But—why, Serpicoool?

Oh ... I really can't believe that!

I mean about graft

Delicious!
Simply marvy!

dance the night away, and
watch the sun come up ...

Tut-tut! All

I make a tape of

You're angry!

You're damned right!

Oh, dear me! Does—
does this mean the
dancing is out ...?

You said it!!

Even if
I let
you lead?

Well, Serpicool, you've earned this! We're giving you a Detective's gold shield!

But... But I thought all you higher-ups were MAD at me!

Nonsense! That's why I've come down here... to pin the badge on you myself...

... right through your HEART!!

Imagine! They form a Knapp Commission, set up these hearings, bring in all these TV Camera and News Reporters, and now there's all this hullabaloo—all because of one, lone, honest Cop!!

Freaks of Nature ALWAYS command a crowd!

Tell us, Officer Serpicool... when you first discovered it, why didn't you bring the matter of Police Corruption to the attention of your Superiors?

I got the feeling it would do no good!

And what gave you that feeling...?

They refused to grant me an interview... unless I paid them off first!

Well... I got shot in the head... two girls left me... and I can't talk or walk straight! But, it was all worth it!

And they call ME a dumb animal!

That's him! Run him down!

HEY!! Why'd you do that?!!

Because you tried to give the Cops a bad name!!

And you don't like that...?

No! Giving the Cops a bad name is DIRTY HARRY's job!

NOWADAYS, more than ever, Mankind seems to be preoccupied with Sex. But we all know that as wonderful as Sex can be, it can also lead to a lot of problems and all kinds of trouble. It is MAD's opinion that the best way to solve these problems and keep people out of trouble is through education. We feel that a good deal more should be written about Sex. We think more people should read about it, and everyone should discuss it more, out in the open. Why do we feel this way? Because the more time people spend writing about Sex, and reading about it, and discussing it, the less time they'll have to *engage in* Sex! And who needs problems?

How did Sex start? What are its mysteries? How did Sexual Attitudes really evolve? How can Sexual Activity affect civilization as we know it today? Frankly we haven't the slightest idea. Then why did we write this article? For a very simple reason. We just want to keep you out of trouble for the next five minutes. (Note: To those of you who are reading this article *while* you engage in Sex, you're in trouble already! And frankly we should have your problems!) Anyway we will now explore this intriguing subject from its very beginnings until the present time in

A MAD HISTORY OF SEX

ARTIST: GEORGE WOODBRIDGE WRITER: LARRY SIEGEL

CHAPTER 1—HOW SEX BEGAN

IN THE beginning, after He created heaven and earth and the seas and the mountains and the animals, God created man in His own image, and he named him Adam.

Adam enjoyed himself for a while running around the Garden of Eden. But one day he became lonely. "God," he said, "there must be more to life than chasing frogs and chewing on rocks. I need a companion."

"A companion?" said God. "You got it."

And so from one of Adam's ribs God created a companion for him. "Do you know who this is?" asked God.

"Let me guess," said Adam. "You made the world's first spare rib."

God gave him a rim shot and then said, "No, dummy, this is a woman. I'll call her Bernice. Adam and Bernice. How does that sound?"

"A little too Jewish, I think," said Adam.

"At this point," said God, "who cares?"

But to avoid an argument, God named the first woman Eve.

"Now," said God, "I am going to leave you two alone and I want you to do what comes naturally."

This is Adam, whom God created in His own image. Actually God looked much better in person, but He didn't own a good mirror.

This is Eve, who was created from Adam's rib. This gave him an awful pain in the side. Later she gave him an awful pain in the neck, but that's another tale.

The following morning God said to Adam, "Well, what happened last night?" "What do you expect to happen," said Adam smugly, "when a normal, healthy man and woman run through a forest naked?"

"You mean...?" said God.

"Right," said Adam. "We chased frogs and we chewed on rocks. But we did it *together*."

"Hold it, Adam," said God, "there are a few things you don't understand. And then God told Adam about the birds and the bees.

The next morning God once again asked Adam how things went the previous night.

"Thanks to you, fantastic!" said Adam.

God smiled. "Tell me about it."

"Well, said Adam, "the moon was out, it was a beautiful night. We sat down on the grass and then..."

"And then what?" asked God with great anticipation.

"We chased birds and chewed on bees," said Adam proudly.

"Look," said God patiently, "Man needs love, devotion. Something to occupy his every waking hour. I am now going to create something to give you fulfillment, something you must have to make life worth living."

"Hey, Eve!" cried Adam, all excited. "Did you hear that? God is going to invent Television!"

But instead God invented Sex, the most wonderful, most exciting, most gratifying thing the world was to know. And Sex grew and it blossomed and it flourished. And it was the all-consuming passion of humanity. Until 1948 when Television took over.

CHAPTER 2—SEX DURING THE STONE AGE

(See Chapter 36—

HOW TO AROUSE A 25-YEAR-OLD SUBURBAN HOUSEWIFE)

CHAPTER 3—SEX IN THE HOLY LAND

AFTER THE DAYS of Adam and Eve, Sex became very popular all over the Holy Land and as a result of it, babies were born and the world grew. People were very happy with this new phenomenon. It was something both rich and poor could participate in, it was fun, it was easy to do, and everyone

more or less understood how and why it worked the way it did. And then, one day, some Prophet came down off a mountain with a couple of stone tablets, and ruined the whole thing.

CHAPTER 4—SEX IN ANCIENT ROME

IF SEX had a temporary setback in the Holy Land, no such problems existed in ancient Rome. Not only did they have a field day there, but the Romans brought many innovations to the practice, chief of which was Group Sex. This phenomenon was carried on into the present day and is discussed more fully in Chapter 31—TWENTIETH CENTURY FUN AND GAMES.

Here you see ancient Romans in a wild bacchanal of booze, lust, sex, and degradation. To historians, this is known as a Roman orgy. To 20th Century teenagers, this is known as a Quilt High School Dance.

Here are some other nice innovations the ancient Romans were responsible for: (1) The Ear-Lobe Bite, (2) Heavy Petting, (3) The Neck Hickey, (4) Advanced Making Out, (5) More Advanced Making Out, (6) Incredible Making Out, and (7) Roman Numerals. (Note: It's true that Roman Numerals have nothing to do with Sex, but they *are* nice).

In addition the Romans created the world's first Birth Control Device. It was known as "Throwing Christians to the Lions." But while this device worked wonders in cutting down the Christian population, it did occasionally cause troublesome side effects. Namely, very fat lions.

One of the most famous figures in ancient Rome was Julius Caesar, who practiced Sex with an Egyptian beauty named Cleopatra. She later met Caesar's best friend, Marc Antony, and she practiced Sex with him too. There was so much practicing you'd figure that sooner or later they'd get it right. And they did. Anyway it all finally wound up with Antony and Cleopatra taking a boat ride down the Nile. Since this is a frank, open, no-punches-pulled article on Sex, exactly what happened between Antony and Cleopatra on the boat ride, you may ask.

Don't ask!

Caesar eventually went on to become a famous statesman, Antony went on to become a great general, and Cleopatra went on to become a rotten movie.

CHAPTER 5—SEX DURING THE MIDDLE AGES

SEX DURING THE MIDDLE AGES can be summed up as follows: Once a month and don't strain yourself. (See Chapter 42—BAD TWENTIETH CENTURY SEX JOKES. Or better yet, don't see it!)

But seriously, fellow scholars, the Middle Ages was an extraordinary period in the history of Sex. Gone was the wild, sick, degrading Sexual Activity of ancient Rome. In its place were gallant knights who treated ladies with honor, respect, and devotion. There is a name for this era: The Age of Chivalry. There is another name for it: The Age of Boredom.

Sex in the Middle Ages was a beautiful experience that was both uplifting and poetic. On their wedding night, the knight would take the lady in his arms, whisper softly in her ear, gently hold her closer, kiss her tenderly, and then in a fit of extreme passion, he would run out and kill a dragon.

But being very proper people, the Establishment in the Middle Ages frowned on Pre-marital Sex, and unmarried knights seldom went all the way. So usually in the case of engaged couples, the knight would go out and merely *wound* a dragon. And of course in the case of inexperienced teenagers who were just getting their feet wet in Sex, the young knight would go out and yell at a dragon. History tells us, however, that not all knights found pleasure in slaying dragons. To them, destroying a poor, ugly beast was cruel and offered no sexual gratification. So they elevated Sex to its highest level in the Middle Ages. They went on crusades and killed thousands of heathens and other people. But more about religion later.

Toward the latter part of the period some men and women began to take an interest in the traditional approach to Sex, often with unexpected results. Illustrated below is the history of one such case.

This is a young married couple, Sir Monty and his bride, Lady Celia.

Anxious to make out with her husband, Lady Celia first struggles to remove his sollerets (or wrought iron shoes).

A half hour later, still in a great passion, the lady strains to remove his gauntlets (or armored gloves.)

An hour later, still burning with passion, she struggles to remove his breast plate.

Three hours later, her passion undiminished, the lady struggles to remove his helmet, etc.

The next morning, still fighting to take off his helmet and visor, her passion at a fever pitch, she makes one valiant tug, and then makes an important discovery...

Namely, for the past 5 years she has been married to a suit of armor.

CHAPTER 6—SEX IN THE NEW WORLD

IN THE 17th CENTURY a group of devout Pilgrims, who were persecuted because of their religion, set sail aboard the Mayflower for the New World and religious freedom. It was a very rough crossing, and the Pilgrims found engaging in Sex on the boat to be a harrowing experience. Many of them threw up continuously and were sick for weeks. But since this was the way they also reacted to Sex on *land*, it was no big problem for them.

Once they arrived in the New World, the Pilgrims were delighted. Not only were they able to worship God as they pleased, but they were able to make everybody else worship God as the Pilgrims pleased—or else. They were also able to kill Indians and burn people as witches, and democracy as we know it today was born.

One of the most famous Sexual Incidents in those days involved an Army Officer named Miles Standish, who was in love with a girl named Priscilla. But since he was too shy to speak to her, he sent his friend, John Alden, to tell her that Standish would like to make out with her. As it turned out, Alden not only made out with her himself, but he married her. But being the noble man that he was, Standish blessed the marriage, and from then on, was known throughout the annals of Pilgrim history as "An Officer and a Gentleman... and a Schmuck."

CHAPTER 7—SEX DURING REVOLUTIONARY DAYS

SEX THRIVED and flourished in the New World all the way through the Revolutionary War and the founding of this country. Perhaps the greatest Sexual Figure in Revolutionary times was also known as "The Father of Our Country." His name was Benjamin Franklin. We realize some people think that George Washington was the father of our country, and you may say, "You don't know your history." All we can say is, "You don't know your Benjamin Franklin!"

This is Benjamin Franklin, the greatest swinger in early U.S. history. For those who wonder how a fat, pudgy man with glasses can be such a fantastic American Sex Symbol, see Chpt. 44—HERE COMES HENRY KISSINGER, HE'S A CRAZY GUY

CHAPTER 8—SEX DURING THE VICTORIAN ERA

There was no Sex during the Victorian era.

This is Queen Victoria. Now you know why.

CHAPTER 9—SEX TODAY

WHICH BRINGS us up to the present. And somewhere up in heaven Adam is saying, "Oh, God!" And God says, "Did you want Me, Adam?" And Adam says, "No, I was just looking down on Earth. Do you see what's going? Oh, God!" And God looks down and He says, "Oh, Me!" And Adam says, "Do you see all that carrying on? Those wonton men? And those wicked women who sell their bodies for money? What do you call them again?" "Suburban Housewives," says God sadly.

"And those movies," says Adam. "I just saw one down there I couldn't believe. And it was rated GP. What does GP stand for?"

"God. Protests," says God. "Oh, Adam, I meant well when I started this whole thing. Where did I go wrong?"

"Don't be **■** hard on Yourself," says Adam.

"But what should I do?" asks God. "I must teach them a lesson."

"I have it," says Adam. "Why don't you do what you once did in Egypt? Go into every home and slay the first-born."

"I thought of that," says God, "but it won't work. Where are you going to find a house nowadays where the first born *lives* at home? On top of which, you kill some of those kids, you won't be punishing the parents, you'll be doing them a favor."

"Well, then how about another one of your famous plagues?" says Adam. "They worked great in Egypt."

"I'm one step ahead of you," says God. "I sent down some locusts last Wednesday. They all died in the pollution. Except twelve, and they were mugged by mosquitoes."

Whereupon Adam gave God a rim shot, and then he said, "I got it. Why not do the Noah's Ark bit again? You get some pure, clean people. You know, the Nixons, Billy Graham, the King Family, and like that. You put them all on a boat with beasts of the field. Then you make forty days of torrential rain, you drown the rest of the world, and you start all over again."

"Hmm," thinks God, "Richard's Ark. Not a bad idea. No, no, it won't work. All of those people alone on a boat for forty days with all those animals. God only knows what could happen nowadays. And I do. So I won't."

"Well then," says Adam, "I guess all we can do now is pray."

"That's easy for *you* to say," says God.

ONE DAY IN THE CITY

Listen, everybody! Inflation is killing us! Even my cost-of-living-raise didn't cover the rise in the cost of living! So everybody in this family is going to have to tighten his belt and economize! We've got to cut down on luxuries ... and stick only to necessities!

Take items like the second car, liquor, the swimming pool, private schools ...

... the cottage on the lake, European vacations and the Country Club ...

Okay, Dad! You've listed the NECESSITIES! Now ... what about the LUXURIES?

Well, girls ... one of my childhood dreams has finally come true!

Remember how I always used to say that someday I'd live in a \$60,000 HOME?!!

You're MOVING?! When?? Where??

Who's moving?!

This crummy, beat-up old shack has just been re-appraised for \$60,000!

Hey! I see you have brand new Menus!

Yes, sir! They just came in today!

Hmmmm! I see you ALSO have brand new prices!

Well, the price of everything ■ going up so fast, we have to keep changing the menus to reflect it!

Ahh, come off ■ The price of food items has only gone up four percent! This menu shows a **TEN PERCENT** hike! How do you justify that?

Easy! There's been a ten percent hike in the price of printing menus!

COST OF LIVING

ARTIST & WRITER:
DAVE BERG

You've been primping in front of that mirror for hours! You must have a heavy date!

I'LL say! I'm going out with a real big spender... Rodney Kronkeit!

RODNEY KRONKEIT, A BIG SPENDER?! You gotta be kidding! I dated him a couple of years ago, and he's the biggest tightwad that ever lived!

He'll take you to the cheapest hash house to eat, and the crummiest place to dance, and—

I know! I've dated him before! But I still say he's a big spender!

Today, anyone who spends **ANYTHING** spends **BIG!**

Everything is so expensive today ... even amusement ... that tonight, in order to save money, this family is going to **STAY HOME** and **JUST TALK!** At least talk is cheap!

You wanna talk? Okay, I'll talk! That car you got me is **JUNK!** I'm embarrassed to be seen on Campus in it! I need a **NEW CAR!**

That Checking Account you opened for me is **over-drawn!** You'll have to put a couple of hundred dollars in it so the checks I wrote won't bounce!

That Washer-Dryer of mine is on the blink! And the cost to repair it is so high that we might as well buy a new one!

Hold it! Hold it! Okay! Okay! I've heard enough!!

What in heck are you doing?

Trying to save a few pennies by reaching around the back and maybe finding a can with a lower price on it!

AHA! I FOUND ONE THAT'S THREE CENTS CHEAPER! I DID IT! I BEAT THE SYSTEM!

Okay, NOW, what are you doing?

Getting this ten dollar heating pad!

I pulled a muscle ... reaching around the back to find a can with a lower price on it!

Let's have the quarter, kid!

Okay! Okay!

Listen, kid! From now on, it's gonna be **FIFTY cents!**

But I don't have any more! My allowance won't cover it!

So get it from your old man! He's a businessman! He'll understand! He knows the price of everything has gone up!

Including the price of **EXTORTION** ... ?

Even **TALK** isn't cheap anymore!!

I've been racking my brain for months, trying to find a way to beat the **high cost of dating!** And, yesterday ... I finally found it!!

I read where there was this **Free Concert in the Park!**

So ... did you take your date there?

Yeah! We got mugged! Cost me **THIRTY BUCKS!**

When there's inflation and you're on a **fixed income**, it's absolute **murder!**

You're telling me! I don't know how I'm going to **survive!**

Yet, Mr. Shtarker over there, who's also on a **fixed income**, seems to manage **very well!**

That's different! He's **very frugal**, and a **very shrewd money manager!** He buys only those things that are **on sale**, and he **watches every penny ...**

And he also takes **advantage of every reduction allowed to Senior Citizens!**

SO? I do all those things, too! How come I can't manage, and **HE CAN!?!?**

Because **HIS fixed income** is **\$30,000 a year!**

With the **constant rise in the cost of living**, I find it **harder and harder to stick to a budget!** This month was a **total disaster!** So I bought this **pocket calculator** to accurately figure out where I went wrong!

Let's see! Food: \$258.12, rent: \$275.00, telephone: \$28.47, gas and electric: \$38.73, clothing: \$175.71, medical bills: \$50.00 and miscellaneous items ...

Ah! Here's where I went wrong!

Okay—where?

The cost of this **POCKET COMPUTER** put us in the red!

THERE SEEMS to be a basic instinct that drives us to flaunt Status Symbols — the world will know what clever and superior members of the herd we really are. And, although there has never been anything commendable about Status Symbols, at least we all knew what they were as we clawed our way up the ladder from Status Symbol Roller Skates with lots of extra ball bearings to Status Symbol limousines with lots of extra cylinders.

But recently, the marks of Status have changed in every age group. Suddenly, the whole neat orderly garish system has been upset. Today, the Status Symbols of adults are regarded as tasteless by the younger generation, whose funky treasures are in turn condemned by the small fry as being just plain icky. And so, because MAD thinks it would be ■ shame if its industrious readers continued lying, cheating and stealing to reach the top, only to flaunt the wrong Status Symbol after they got there, and to help all of you to become the envy of the low class peasants you are forced to associate with, we have called upon a costly imported writer and ■ uniquely hand-carved expensive artist to prepare this

You're very kind! Because I only have two hundred dollars—

Yeah . . . except for one thing! The "Dear Departed" was my UNCLE!

THE MAD TENNIS PRIMER

ARTIST: JACK DAVIS

WRITER: LARRY SIEGEL

CHAPTER ONE

See the nice people.
They are playing Tennis.
See how civilized Tennis Players are.
See how they always compliment each other.
"Nice shot, Fred," one says.
How courteous they are.
"Sorry I missed that serve, Mike," another says.
What compassion they have.
"Good try. Mine was a lucky shot," says a third.
Soon they will leave the courts
And get in their cars
And curse each other
And run each other off the road
And steal each other's wives
And rob each other blind in business.
Tennis is a great sport
But it *does* interfere with the American Way of Life.

CHAPTER TWO

This is a very exclusive Tennis Club.
They are very particular about appearance here.
Tennis players must be all in white.
See the foursome.
They want to play tennis.
But the guard has stopped them.
He says to the first, "You must get white shorts."
He says to the second, "You must get white sneakers."
He says to the third, "You must get white socks."
He says to the Black player,
"Your job is going to be a lot more difficult."
Oh well, the first three can always go
To a sporting goods store.
Where is the Black supposed to go?
To a body repair shop?

CHAPTER THREE

See the doubles match.
Three men are playing with a girl.
The men are excellent players.
The girl is awful.
She leaps high for shots and misses.
She leans over for shots and misses.
She bends down for shots and misses
She is not good.
She is not athletic.
She is not graceful.
Why do the men play with her?
She is not wearing a bra.

CHAPTER FOUR

Ha, ha, ha.
See the funny people.
See how their heads go from side to side to side
To side to side.
Wait a minute.
See the man in the middle.
His head is going up and down and up and down
And up and down.
What is going on here?
Very simple.
All the people are watching the Tennis game.
Except the man in the middle.
He is watching the girl
Without the bra.

CHAPTER SEVEN

What is this man doing?
He is stringing a Tennis Racket.
Some Rackets are made of nylon.
This one is being made of gut.
The man is just about finished.
That didn't take very long.
It doesn't take much guts to make a racket.
The man will charge \$75 for this one.
Now *that* takes guts.

CHAPTER EIGHT

There are many injuries peculiar to Tennis.
If you don't serve with a full overhead motion
You can get "Tennis Elbow."
If you twist wrong on a backhand return
You can get "Tennis Shoulder."
What is this man doing?
He has just lost a match
And he is a true Tennis Gentleman,
So he is jumping 2½ feet over the net
To congratulate his opponent.
There is only one problem—
Tennis nets are 3 feet high.
Congratulations, idiot,
You just invented "Tennis Mouth."

CHAPTER FIVE

See the poor man.
He has been struggling on the court for two hours.
He is bathed in sweat.
He can hardly breathe.
He is exhausted.
His hand is bleeding.
But it was worth it.
He has won his battle.
Now that he has finally opened the vacuum-packed can of balls,
He is ready to play Tennis.

CHAPTER SIX

Who is this nice man?
He is called a Tennis Pro.
He teaches people how to play Tennis.
How does he teach them?
He gets 400 old balls
And tosses them over the net
And tells the people to hit them back.
After five minutes of this,
They spend 20 minutes helping him
Pick up the 400 balls.
Then they start over again.
For this the pro gets \$30 an hour.
Now you know the true meaning of the term—
"Tennis Racket."

CHAPTER NINE

What are these people doing?
They are waiting.
What are they waiting for? Lefty?
No.
Godot?
No.
The Robert E. Lee?
No.
They are waiting to get on a Public Tennis Court.
That can take a long, long time.
One of them is very angry.
He will write a letter of complaint to the City.
Or maybe the State.
No, he has decided to go clear to the top.
He's going to send a letter directly to Pres. Eisenhower.
Hnm, he's been waiting a lot longer than we thought.

CHAPTER TEN

See the Championship Tennis Player.
He has just won an important tournament.
See how the fans adore him.
He is very successful and very rich.
He has three cars, four homes,
And a yacht.
He makes over a half million a year.
Now that he has won this tournament
He will receive many lucrative Tennis offers,
But he will turn them all down.
Do you know why he will turn them down?
Because he doesn't want to turn Professional.
Isn't Amateur Tennis wonderful?
Some top performers make almost as much money
As College Football Players.

ONE DAY IN THE PATENT OFFICE

PLAINSCLOTHESMAN DEPT.

Would a hard-riding, gun-toting, square-jawed, straight-shooting Marshal from New Mexico really help New York solve its crime problem? We think it's an idiotic idea ... even for Television! But that's what they're actually trying to sell us with ...

McCLOD

ARTIST: ANGELO TORRES

WRITER: LOU SILVERSTONE

Good afternoon, McClod!
I'm glad you're just visiting us! I don't know about New Mexico, but here in New York, gangsters get up bright and early, and we expect our Police Officers to at least do the same!

Now, Chief! Don't get all heated up! It was so nice, Ah decided to walk through Central Park!

McClod, nobody—especially a Cop—walks through Central Park!

Ah know! But Ah like t' mosey along the **Bridle Path!** Reminds me of home! Anyway, Ah stumbled on t' somethin'!

So I noticed! Next time you decide to walk along a Bridle Path, take off your **BOOTS** before you come in here!

A'm tryin' t' tell yuh! Ah discovered a gang of **RUSTLERS** in Central Park!

Listen, McClod! We've got con men, muggers, rapists, murderers ... we've even got **Shakespeare in the Park!** The one thing we **DON'T** have is Rustlers ... mainly because there's nothing to rustle!!

Shor there is! **BY-CYCLES!**

Yessir, Ah saw a couple of fellers rustlin' bikes!

Allegedly, McClod, you are a **Police Officer!** That means that if you witness a **Felony**, you are supposed to **ARREST** the perpetrators!

Ah know that, Chief! But Ah figure **Bike Rustlin's** a whole lot like **Cattle Rustlin'!** And it don't make much horse sense to arrest the **Hired Hands!** You gotta go after the **HEAD HONCHO!**

So Ah'd like t' join up with that gang, find out who the **Boss** is ... and **THEN** we corral 'em!

How do you plan on doing that, McClod! Are you going to look up "**Bike Rustlers**" in the **Yellow Pages?**

That wouldn't do me much good! Ah still get throwed by them new-fangled **dial phones!** Now, back in **Tacos**, all we gotta do is lift the receiver and tell the **Operator** what number we want! In fact, there's this **ONE Operator** named **Amy Lou—**

McClod, I don't CARE about Amy Lou! How do you plan on infiltrating the gang?

Simple! Ah'll jus' go into th' Bike Rustlin' business mahself, and then the gang will invite me to join 'em!

That sounds dangerous, Simp! You could get **KILLED!**

You mean "killed" like in DEAD???

Hmmm! That part is really tempting! But . . . I'm afraid I already have a special assignment for you, McClod!

There yuh go, Chief!

Dawgone! Ah don't mind bein' assigned to the Meter Maids

. . . but Ah shore wish Ah didn't have t' wear the **Official UNIFORM!**

Chief, they just found McClod unconscious!

How could they TELL?

McClod! What happened to you? Did a Parking Meter fall on you?

No, Chief! I figured I'd work on the By-cycle Case in my spare time, so I swiped a bike! But the training wheels fell off!

I told you to stay away from that Bike Caper, McClod . . .

Ah'd like to hang around and shoot the breeze awhile, but Ah got me some bikes to rustle!

McClod!! Forget it! He's gone!

Hel-l-l-ll!! Police! That Texas Transvestite just stole my little boy's bike!

And now, Ladie-e-es and Gentlemen, the Great Spumoni and his death-defying high wire bicycle ride . . .

Stoppe that man! He's-a steal-a my bicycletto!!

Simp
McClod!
What
are
you
doing
in this
place?

Oh, howdy, Crass! Ah
was jest tryin' t'
steal this by-cycle,
but no matter how
hard I pedal the
durned thang, it
won't budge an inch!

Why
haven't
you
returned
my
calls,
McClod?

Ah been
busier'n
■ one-
armed
farmhand
at milkin'
time!

McClod, is there
someone else?

No way! Yore
purty, educated,
sophisticated
an' rich! We got
■ lot in common!

Cowboy ...
we're ALL
pretty,
educated,
sophisticated,
rich ... AND
available!

And we dig the
rugged, outdoor
homespun type!

Lay off!
He's
mine!

No—
he's
mine!

Wal, Ah'll say one
thang fer Big City
gals! They ain't
got much meat on
their bones, but
Ah shor do admire
their taste in men!

Glad you
could get
here, Chief!
I got some
bad news
for you!
McClod—

You're right!
He ■ bad news!
So don't talk
about him! Let
me enjoy this
bank robbery!

That's just it, Chief!
McClod's inside the bank!

Inside the BANK?!? I
thought he was stealing
bicycles! What'd he do,
decide to branch out?!?

McClod's made so
much bread steal-
ing bikes, he had
to open a bank
account! He's one
of the hostages!

NOW HEAR THIS
IN THERE! LET
THE HOSTAGES
GO! ALL EXCEPT
MCCLOD! HIM—
YOU CAN KEEP!

Nobody's coming
out, Chief ...

Okay! Let's
rush 'em!

POLICE
OFFICERS!!
NOBODY
MOVE!!

McClod, what
happened to
the bank
robbers?!?

Y--you let them get
away with the money?

That makes
TWO of us
McClod! I
don't want
anybody to
know you're
a Cop, either!

There yuh
go, Chief!

They went out
the skylight!

Ah'm supposed to be
a bike thief, Chief!
Ah don't want anybody
t' know Ah'm a Cop!

McClod, you are to stay off
this Bike Case—even during
your lunch hours! Since you've
been on it, bike stealing has
reached epidemic proportions!
Would you believe somebody
even stole the MAYOR's bike?!

Ah know!
It's a ten-
speeder! Ah
jest may
keep that one
fer mahself!

I'm taking over
the Bike Case
personally! Go
home, put your
skirt on and
report back to
the Meter Maids!

Get in the car, Man! We're gonna take you for a little ride!

There yuh go! No matter what they say about you Big City folks, yo're the friendliest people I have EVER met!!

So you're the character who's been stealing bikes in our territory! Thanks to you, we've been having trouble meeting our quota!

And if we're in trouble ... so are YOU!

Wal, Ah'll be glad to share yor trouble, fellers! Back home, we always say, "The burden seems a whole lot lighter when a few Jackasses share the load!" ...

This is the end of the trail for you, Cowboy!

Hey, Ah got a much better idee! How about me joinin' up with yor gang?

How do we know you're not a Cop?

Accordin' t' the Police Manual, it says, "No duly authorized Officer of the Law shall wear a mustache!" An' this ain't no cactus a-growin' on my upper lip!

Hey, you seem to know a lot about Police Regulations!

Ah watch a lot of TV!

Sounds reasonable! Okay, Cowboy—you're in!

There yuh go! Now, when do Ah get to meet the Head Honcho?

No one gets to meet "Mr. Big"! We get our orders over the phone! And let me warn you, Cowboy! Any funny business, and they're gonna find you floating in that river!

Don' worry, Pardner! Ah'd rather be DAID than float in THAT river!

Chief, will you accept a Collect Call from McClod?

What's the matter, McClod! Don't you have a dime?

How yuh doin', Chief!? It's a funny thang, but the phone booths here don't take dimes!

Don't be stupid! All phone booths take dimes!

Not in Hong Kong they don't!!

McClod!! What are you doing in HONG KONG?!!

Why, Ah'm talkin' t' YOU on the phone, Chief!

You could have done that in New York! Why there?!!

Ah've infiltrated the bike gang, Chief! We steal bikes in New York, ship 'em here, paint 'em, and ship 'em back to New York!

Why would anyone want to ship stolen bikes 7000 miles just to paint them?!

Probably 'cause the Labor is a lot cheaper here! They gotta take 'em apart, paint 'em, fill 'em up—

FILL THEM UP?!! With WHAT ... ?!?

That funny li'l white powder ...

HEROIN!! McClod, you've stumbled onto The Hong Kong Connection!

Hang up the phone, Cowboy!

McClod?!! Are you there? Mc-CLICK!

Well, you had me fooled, Hayseed! I figured you were too stupid to be a Cop! Shows you how bad things are these days! You know, of course, that now I have to kill you!

Hey, not yet! Ain't it Standard Procedure for a TV Crook t' explain the entire operation t' the TV Cop jest b'fore he rubs 'im out?

You already KNOW how we operate!

Everythin' 'cept one detail! Who's runnin' th' show?

You're looking at him, Cowboy! I'm the legendary "Mr. Big"!!

Don't try t' hog-tie me! Yo're jest one of the Hired Hands!

That's what I wanted everyone to think! If the Police suspected that I was only a petty Bicycle Thief, they'd never bother me! They'd be more interested in nailing "Mr. Big"! Now to get rid of you! Say your prayers ...

Hold on! Y-You're not gonna SHOOT me, are yuh?

No, this isn't a gun! This is a cigarette lighter, and I'm offering you a light!

Wait a cotton-pickin' minute! Wouldn't it make a lot more sense if'n my death looked like an accident?!!

You're right! An accident would be much neater!

Gulp!! Maybe Ah'd be better off if'n Ah'd jest let him shoot me!
